CROSS COUNTRY

Coach O'Neil
Captains Price and Zobel

Returning seniors Chris Cahill, E. T. Price, Thax Tewksbury, and John Zobel, with Freshman Stu Cahill, formed the core of the 1977 team, which got unexpected, but welcome support from Chris Colocousis, this year's second runner. The girls, back 100% from last year, were led by Donna Chisholm and Mary Jo Mahoney. Boys' varsity took third place in the league with its best record since 1969, while the girls were second with a 5-1 record. Award winners were: John, Chris, Stuart, Donna, Mary Jo, Leslie Carroll, Erin O'Brien, and Jenny Fox.

FIELD HOCKEY

Coach Babaian
Captains Brown and Sladen

The team of nine seniors and seven juniors was unable to finish with a winning record, not playing well until the end of the season. The team did show great perseverance and tenacity, and each senior will be sorely missed. All-Star Donna Brown received the Boosters' and Rotary Club awards, and Shelanne Sladen was the team's high scorer. Maureen Dunn played in every position over the course of the year. Peggy Fox did an outstanding job in goal.

FOOTBALL

Coach Walsh
Captains Ballerino and McCormick

The varsity's 5-5 record does not accurately reflect the quality of the 1977 team. The players went into every game knowing they could win, and often lost to the clock, rather than the opponent. Highlighting the season was the outstanding play of seniors Tom Ballerino, John Durkin, Ian McCormick, Thane Norris, and Scott Sandblom, and juniors Barry Buckley, and Joe Durkin. Especially notable was the homecoming win over Abington, and the Thanksgiving humbling of Duxbury to even the series score at three.

SOCCER

Coach Mazza
Captains MacKenzie and Dillon

Inexperience was the key reason for the varsity's 4-8 record. Only four lettermen returned from last year, none of them seniors. The team did finish in fourth place, and has an excellent chance to move up in the standings next year with 14 players (10 starters) returning. We will be looking to captains Charlie Dillon and Chris MacKenzie, as well as leading scorers (and SSL All-Stars) Craig Langford and Jerome Turner, to provide leadership for the 1978 team.

CHEERING

Coach Perrault
Captains Seavey and Quilty

1977 brought new faces and new ideas to CHS cheering. Only two seniors, Holly Chase and Gayle Seavey, returned to the varsity squad, which this year cheered home soccer matches, as well as football games. A freshman squad, captained by Kim Ferreira, was also added to the cheering scene. In early December, the varsity traveled to Boston to compete in the New England Patriettes' Cheering Tournament. It was their first, and they made a fine showing.

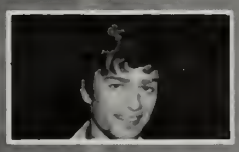
WINTER SPORTS

BOYS' BASKETBALL



Coach LeVangie
Captain D'Onofrio

New coach John LeVangie encountered problems early in the season. Three consecutive losses prompted him to say, "The outlook is grim, boys." However, as the competition descended, the win column ascended. Team leadership came from seniors Paul D'Onofrio ("I peaked last year"), Jeff Lincoln ("The voice of experience"), Chris Collins ("I contributed from the bench"), Ed Carroll ("I don't care as long as I get my points") and Paul Hellar ("I should have quit").

GIRLS' BASKETBALL

Coach Ahearn
Captains Brown and Kjer

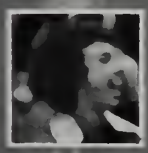
The team struggled this year in a league which had much talent. The girls gave some of the better teams a battle at the end of the season, but it was not enough to change their record of 2-13. With three starters coming back and some promising underclassmen moving up, CHS should look forward to better seasons in years to come.

HOCKEY

Coach MacDermott
Captains Farwell and Durkin

The 1978 team finished in second place for the second year in a row. Their record of 6-3-3 (9-3-5 overall) earned them an invitation to the State Tournament, and was the best since 1968. Outstanding senior performers were Ian McCormick, Chris Cowan, Scott Fone, Dan Tilden, Scott Sandblom, Dick Farwell, and John Durkin. Dick led all league goaltenders by allowing only twenty-four goals in ten games. John and his brother Joe formed the core of the offensive threat, combining for forty-one total points.

CHEERING



Coach Perrault
Captains Seavey and Chase

This year the Hockey cheerleaders had the biggest squad CHS has ever sent to the rinks. Co-captained by Mary Howley and Holly O'Chase, they supported the team through another great season. The varsity Basketball squad, led by Gale Seavey and Sue Quilty, put in a lot of effort, too. Tracy Young captained the J.V. through their season.

WRESTLING

Coach Clute
Captains Hobson and MacKenzie

Forget the food, so much for drink;
When Clute's around, he makes you think
That wrestling is the only thing
Which comes between the fall and spring.
Wrestling is fun, or so they say;
But when you realize that one day
You don't like girls, you can't drink beer,
Blame it on wrestling, it's that time of year.

GYMNASTICS

Coach Polardy
Captains Ripley and Sargent

Even though the 1978 team was young and seniorless, they took second place in the league, and plan to recapture the championship next year. Coach Andrea Polardy inspired a great deal of effort from all the gymnasts; the overall scores (both team and individual) improved drastically over last year's. The season team high this year was 75.4, easily topping the mark of 63 set in 1977.

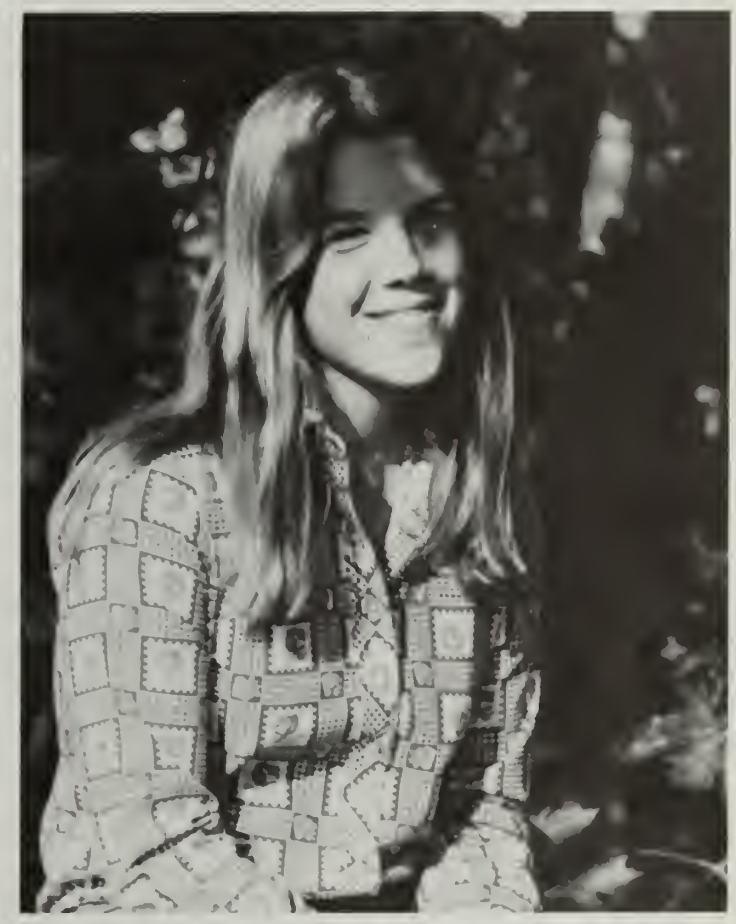
THE EVERETT W. DORR AWARD

FOR OUTSTANDING ATHLETIC LEADERSHIP, SPORTSMANSHIP, ABILITY, SPIRIT

IAN McCORMICK

"Although many people tend to separate sports from school, experience has shown me that they are very important to learning. Over the last four years I have participated in three varsity sports: football, hockey, and track. All three mean very much to me and have taught me a good deal. I plan to continue with athletics in college, for I believe that the lessons learned in sports can never be discovered in a four-walled classroom."

SHELANNE SLADEN



"At CHS, I have participated in varsity softball, field hockey, and basketball. In two of them I was elected co-captain, and in junior year I was selected for the SSL All-Star team as catcher. Next year I plan to attend college, and play softball and field hockey. I feel that continuing with sports in college can better prepare one for the future."
